Dear Capt Balducci,

I am writing you at once after receiving your letter today so that I may have a reply before leaving here next Thursday, 13th March for the South. It is nice that you are to be in London the same time as I am, my niece, Molly will be finished at the Hospital on Monday 14th March & we would be delighted if you will have dinner with us that evening at 4 P.M. at the Euston Hotel, it is at Euston Station, if this does not suit you perhaps you could come to lunch at 10 o'clock next day, Tuesday, at the same place. We are going to Boshill later in the day for a fortnight.

With kindest regards & I do hope one of these times will suit you

Ever yours sincerely
Mary E. Laing
